Time for Change Foundation is honored to announce Bruce Baron, chancellor of the San Bernardino Community College District, as the recipient of the Community Education Champion Award at this year's upcoming Awards Dinner, "Celebrating Life's Precious Jewels," which will take place on April 17 at the National Orange Show.

"This event is our opportunity to honor outstanding members of the community, celebrate the resilience of our precious jewels (our clients), and continue our fundraising efforts to assist more families," says Kim Carter, executive director of Time for Change Foundation.

Baron joined SBCCD in July 2009. Baron believes that SBCCD is a partner in the community's economic success and is proud the Trustees adopted the local hire program while constructing new buildings under the Proposition P and M construction programs, which has given 60 percent of construction jobs to local, Inland Empire workers and kept an additional \$30 million in construction dollars with local contractors.

"I am honored to be selected to receive the 2015 Community Education Champion Award. I am humbled and I don't feel deserving of such a prestigious recognition," said Bruce, "However, I am delighted to accept the award and will be in attendance."

Other Honorees include: The Race, Gender and Human Rights Giving Circle of the Women's Foundation of California with the Humanitarian Award; Santa Claus, Inc. with the Community Service Award; Mi Cocina Restaurant in Highland with the Ramos Spirit of Compassion Award; June Collison, president of Community Hospital of San Bernardino with the
